Dear Planning Director LoGrande,

At our regularly held public meeting on March 10, 2015 the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to give general support to Skid Row Housing Trust’s proposed supportive housing project, pursuant to the motion passed on February 17, 2015, by DLANC’s Planning & Land Use Committee (“PLUC”).

The proposed project contemplates 55 units of permanent supportive housing for homeless and individuals with special needs and 100 units of permanent supportive housing for veterans and individuals with special needs. The project is to be located at 649 S. Wall Street and 401 E. 7th Street. A specific entitlement request has not been filed at this time, but DLANC offers its general support to the Skid Row Housing Trust and the proposed project.

As the proposed project moves forward, DLANC will work with Skid Row Housing Trust to ensure that the final product delivered benefits the downtown community.

Thank you for your consideration.

Very truly yours,
