Subject: E-Scooters Forum at DLANC Board Meeting  
To: [dlanc@empowerla.org](http://dlanc@empowerla.org) <[dlanc@empowerla.org](mailto:dlanc@empowerla.org)>

Hello all,

LADOT New Mobility Hub unit will be attending the October 7th board meeting. This team handles the enforcement, regulation, and planning related to e-scooters and other dockless mobility programs.

This will be an excellent opportunity to ask questions, and demand answers on how LADOT is planning on addressing issues related to the scooters and bikes.

Per their request, they have asked to have some sample questions in advance so that they can provide a concise presentation the day of. So if each board member can send e a series of questions they would like answered, I would greatly appreciate.

Be sure to let your friends, neighbors, and partner organizations know that this is a great opportunity to vent, ask LADOT directly. If you have any additional questions, please contact me. But please be sure to send me questions and issues you would like to see addressed in advance. Thank you.

Best,

Reeyan Raynes
