Homeless Committee Proposal

Co- Chair:

Max C.

Co-Chair:

Rick Young

Proposed Meeting schedule:

1st Tuesday of the month

Outline of the committee goals and projects:

The Homeless Committee was the product of mediation between the President and At-Large Representative Patti Berman and Former Homeless Representative and Public Safety and Health Committee Chair Rick Young by Gracy Lue current General Manager of the Department of Neighborhood Empowerment. The Committee was proposed to deal the many issues regarding the tens of thousands of homeless within the DLANC boundaries. Unfortunately circumstances at the time was not conducive to meaningful resolution and mediation failed.

The issues with the homeless persist and this committee is required to satisfy DONEs concerns as well as Section 900 of the Los Angeles City Charter. The goals of this committee include addressing the stigma attached to homelessness and working to foster more coordination between the many community leaders advocating for improved conditions in what is considered the homeless capital of the United States
