

From Russell Brown

Vice president of Administration

Chair DLANC Election committee

Hi everyone,

How would you like to make a difference in our Community? We ask you to consider running for a seat on the Board of Downtown Los Angeles Neighborhood Council.

Whether you are already serving on the neighborhood council board, or are new to involvement, you are welcome to join us.

Neighborhood Councils were created to provide a link between the Community and City Government and to advise the decision-makers on issues that affect our lives. To work effectively, we need to hear from you, and we need your participation.

All 28 seats of our board are elected in the same cycle. In order to have a broad range of participation, DLANC board has varied categories of community participation and designations. Seat eligibility details are copied below.
